Creating details with considerate emotions, injecting gentle power into the space, balancing the overall characteristics while creating a sense of casualness, thus expressing the unique minimalist beauty of home decor.

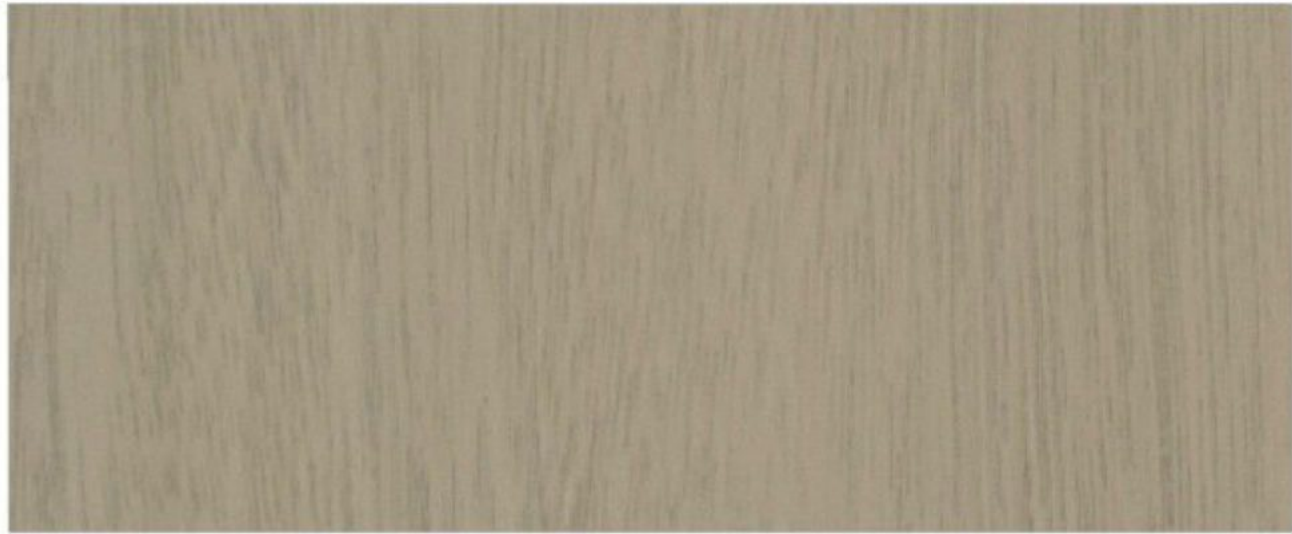

Model: M8812-165 Name: 相思木黄

Model: M8812-165 Name: 相思木黄

Emphasize high quality and design sense, bringing endless elegance and fashionable charm to plain spaces

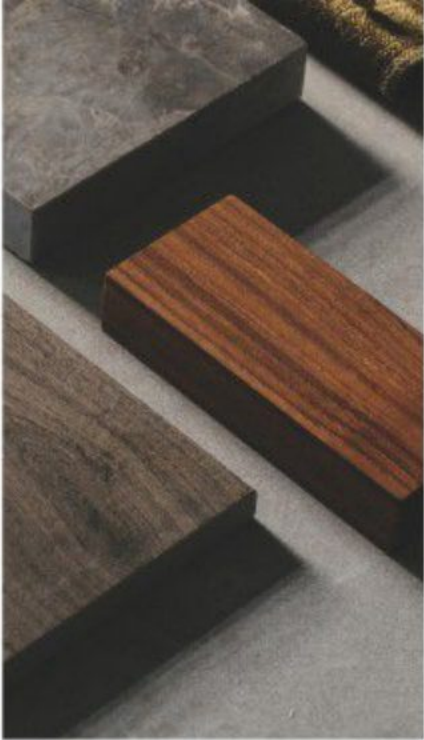

Model M826-166 Name 岁寒松柏

Model M829-166 Name 岁寒松柏

Model M827-166 Name 岁寒松柏

The inherent quality of life and fresh texture of wood in nature
It seems to contain powerful vitality
Make people feel the vitality of nature anytime, anywhere

效果图仅供参考，颜色请以实物为准
The rendering is for reference only, please refer to the actual product for color

On one side, the original building skylight is embedded, allowing natural light from outside to shine in. Clouds and shadows jump inside, creating a lively and dynamic atmosphere. Between light and dark, the facade structure is divided into two sections, creating a vivid and interesting visual contrast.

ROUND CARDAMOM

混油半透榆木°

/

ELM

意式风格强调个性与创意，将艺术与生活完美融合，营造出浪漫的生活氛围

Loyal to the essential function of space, light makes the clean, simple, and plain base more vibrant and lively. The layout of space appears plain and elegant, and the design restores the thinking aspect to living, reducing all aspects of life back to its essence, thereby reflecting the daily fulfilment and emotional richness of residents.
